

Aufgeschlossen & Aufgeklärt

Aufgeschlossen and *Aufgeklärt* form a two-stage German course for senior students, leading to the British A-Levels. *Aufgeschlossen* is highly suitable for students in their preliminary year. There are ten chapters:

1. Jugendliche in der Familie von heute
2. Essen und trinken – Das Traditionelle und das Neue
3. Ferienzeit
4. Was ist uns wichtig?
5. Herausforderungen an die Gesellschaft
6. Wie fit sind wir?
7. Das Bildungssystem
8. Die Welt der Arbeit
9. Das Transportwesen
10. Deutsche Geschichte

As students progress through the topics, the vocabulary and grammatical structures become more complex. Each chapter includes authentic listening tasks (including songs), excellent reading and responding tasks (with a real focus on improving students' vocabulary), grammar activities, *Lerntipps* (with tips on developing dictionary and study skills) and *Kommunikationsziele* for oral and written communication. Tasks can be individual, in pairs or in small groups.

The accompanying **Teacher's Resource Book** is a vital part of the course, providing opportunity for consolidation and extension of the material in the *Lehrbuch*. It contains photocopiable masters for all four macro skills, assessment activities, answer keys and listening transcripts. *Aufgeschlossen* could be used as an excellent stand-alone course or supplementary resource for other senior courses.

The follow-up text for HSC students is *Aufgeklärt*, also available from Nelson. It contains eight chapters:

1. Umwelt
2. Wo spricht man Deutsch?
3. Medien
4. Leben durch Technik
5. Ist das fair?
6. Deutschland 1918-1945
7. Ausländer
8. Deutschland vereinigt

Many of the topics in *Aufgeklärt* are also relevant to the Extension course.

An excellent addition to any senior German resource library!
