

Bildwörterbuch Deutsch – Junior

This beautifully illustrated workbook could be used in conjunction with any primary teaching course. There are 150 activities based around 36 topics (plus the alphabet) and solutions are in the back of the book. Topics include:

- *Familie Schneider*
- *Von Kopf bis Fuß*
- *Bei uns zu Hause*
- *Auf dem Markt*
- *Gute Reise!*
- *Was ist heute für ein Tag?*
- *Musik*
- *So viele Tiere!*

usw.

The level is aimed at upper primary, with the main focus on reading and writing skills. The workbook includes matching exercises, *richtig/falsch* reading comprehensions, find-a-words, crosswords, unscrambling words and sentences, as well as drawing and colouring activities. Can be used in conjunction with the *Bildwörterbuch Deutsch – Junior* dictionary, but is just as much fun as a stand-alone book.

Highly recommended for any primary teacher of German!

Available from Heinemann (published by ELI)
