## Grundkurs Deutsch für junge Lerner, A1

This book is divided into three modules, with four lessons in each one.

Topics include:

- *Das ist meine Familie*
- *Hast du Geschwister?*
- *Wo wohnt ihr?*
- *Bei uns zu Hause*
- *Was isst du in der Pause?*
- *Meine Schulsachen.*

Each lesson has various games, role plays and problem solving activities. In addition, each lesson includes a song which is relevant to the topic and reinforces the grammatical structures.

There is a significant emphasis on listening and speaking activities with *Aussprache* segments in each lesson.

At the end of each module students have the opportunity to test their skills with a *Wortschatz und Grammatik* quiz. Solutions are included in the back of the book.

The accompanying *Arbeitsbuch* includes memory games, multiple choice, sentence completion, find-a-words and complete the pattern activities.

The level is aimed at junior secondary students, but the book provides a wealth of wonderful ideas and activities which could be modified for use with learners of German in Stage 2 and Stage 3.
