

Using PowerPoint in the English classroom

There are many different ways that students could use this program to help achieve syllabus outcomes. PowerPoint can provide another media for composing. Inserting multimedia and video into the slides can add the further dimension of working with visual text. Using hyperlinks and action buttons can help students to explore non-linear text.

This will help students to demonstrate achievement of the following outcomes:

- a) Preliminary and HSC English (Standard) outcomes 2, 4, 5, 8, 9, 10 and 11
- b) Preliminary and HSC English (Advanced) outcomes 2, 4, 5, 8, 9, 10, 11 and 12A
- c) Preliminary and HSC English (ESL) outcomes 1, 2, 7, 8, 10, 11 and 12
- d) HSC English Extension 1 outcome 4
- e) HSC English Extension 2 both outcomes.

Some examples of these are:

1. *complementing a spoken presentation as visual input to the spoken text*

This will help students to demonstrate achievement of the following outcomes:
