

Mathematics 7-12 professional learning activity

Leading and managing the curriculum in mathematics workshop

Wednesday 25 February - Thursday 26 February 2009 Fairfield (Event: 8188)

Wednesday 11 March - Thursday 12 March 2009 Terrey Hills (Event: 8189)

Wednesday 20 May - Thursday 21 May 2009 Port Macquarie (Event: 8193)

This **two day** workshop, for **all** head teachers of mathematics and mathematics teachers aspiring to be head teachers, aims to support leadership development and curriculum management. The workshop provides opportunities for reflection and analysis of current practices based on school scenarios and opportunities to develop new approaches to leading and managing a mathematics faculty.

Sessions will include:

- leadership and the role of the head teacher mathematics
- managing the faculty
- interpersonal skills and mathematics team building
- promoting effective mathematics teaching and learning
- catering for individual differences in the mathematics classroom
- using data to improve students' learning outcomes in mathematics
- assessment and reporting
- planning for action

Teachers who wish to register for this workshop need to be approved by the Principal to attend.

This workshop is available to NSW DET only.

Registrations close **five** working days before the scheduled workshop.

What to bring:

- 7-10 mathematics syllabus
- one faculty program
- one laptop computer

Workshop registration

To register for this workshop follow this link 

<http://www.curriculumsupport.education.nsw.gov.au/prolearn09/index.htm>

Once registration is completed, participants will receive workshop confirmation, details of the venue and an agenda.

A registration fee of \$110 per day (incl. GST) for government schools will be charged for each participant. This fee includes morning tea and lunch and all workshop materials.

Time: 9am - 3pm each day
