

# Science Exposé

## 2009 Competition

## ATTENTION: SCIENCE TEACHERS!

### OPEN FOR ENTRIES\* UNTIL 28 AUGUST 2009

Science Exposé\* is a fun competition open to NSW students from Years 7 to 10.

- Choose a NSW scientist
- Describe their work
- Predict how their work may contribute to the future

Multimedia or essay categories. Prize package in each category includes:

- \$300 to go to the winning student
- A CSIRO Science Show to visit the school of the winning student\*\*

Science teachers are encouraged to set the competition as an assessment task. The competition is designed to facilitate outcomes 4.1 to 4.5 and 5.1 to 5.5 in the science Years 7-10 syllabus.

\*All entries are subject to the terms and conditions outlined in the guidelines. \*\*Maximum of four visits in total. Bookings will be subject to timing, location of the school, availability of programs, and CSIRO terms and conditions.
